DISCUSSION ITEM #3 ON ABCHAT

25 Mar 2009 By Sherri Bradley

Since we've not come to a consensus about discussion item #3 that we've been discussing on ABCHAT, I suggest that we agree to disagree about what we should do leave it at that. I suggest that we remove the item from the agenda and if in the future it's decided that we need to revisit this, we can have it placed on the agenda again.

26 Mar 2009 By the NC

Thank you Sherri, I will remove it from the agenda.
