**MOTION 06-01A -
CHANGE IN EC
PROCEDURES TO
ADDRESS VOTER
FRAUD**

(March 2, 2006) By Jeff Scism

I Move to accept the following proposed EC Guideline changes.

"Proposed EC Guideline Changes:

"The EC submitted its proposed procedures under Section III. "Use of Registered Voter List." The Voter Fraud Committee feels that the changes belong under Section B "Duties of the Subcommittee; Item 3: The EC shall also be responsible for maintaining an up-to-date Registered Voter List."

CURRENT GUIDELINES:

NO CHANGE:

I. All Project members who are eligible to vote, shall also be eligible to Register to vote.

II. Such Registered Voter List shall be kept updated on a continuing basis through the following:

a. Maintaining a site and means for members to register to vote, to change their membership participation or email address, or to remove their name from the Registered Voter List.

b. The notification of availability of registration through postings to all appropriate Project lists, broadcast messages to the entire membership through use of the Membership List, and by whatever means the EC shall deem necessary and helpful from time to time.

c. Registrations shall be accepted throughout the year, with the exception of 30 days before the National Election begins, continuing through the end of that election

i. Registrations shall be actively solicited during the months of April and May

ii. For Polls and other appropriate elections, a period of not

less than two weeks shall be provided for Registrations.

CHANGE:

[existing: d. State Elections are exempt from member registration

[change to: d. Registration is necessary for all elections conducted by the EC.]

NO CHANGE

d. d. Verification of all voter registrations shall be determined by:

i. Checking State and Special Project web site listing of members

ii. Cross checking against the Membership List

CHANGE:

[move item f, "Other means as the EC shall deem necessary from time to time." to item iii]

[iii. Other means as the EC shall deem necessary from time to time.]

REMOVE:

e. Any discrepancy shall be directed to the appropriate local leadership or appointed contact person within the voter's state or special project, for resolution. In the event the appropriate person does not respond in a timely fashion, or resolution has not occurred, the matter shall be forwarded to the AB Regional Representative for resolution.

ADD:

e. Though members may use various email addresses for the projects they are associated with, only one name and e-mail address will be maintained on the voter list. Each member should

register once using one name and one email address. Multiple registrations under multiple names and/or email addresses will be handled as a discrepancy.

(1) All names and e-mail addresses used for registering will be screened for possible discrepancies

f. Any discrepancy not able to be resolved between the voter and the EC, unless the discrepancy is possible fraudulent registration, shall be directed to the appropriate local leadership or appointed contact person within the voter's state or special project, for resolution. In the event the appropriate person does not respond in a timely fashion, or resolution has not occurred, the matter shall be forwarded to the Advisory Board for resolution.

g. In the event the EC discovers possible fraudulent registration the AB shall be privately advised

h. No names associated with a possible fraudulent registration will be removed from the Registered Voter List until such time as the EC receives a final determination/disposition from the AB.

III. Use of Registered Voter List;

[existing - a. The confidentiality of the Registered Voter List shall be maintained by the EC at all times.]

[Change to: a. The confidentiality of the Registered Voter List, as a whole, shall be maintained by the EC at all times.

Individual information from the voter list will be released or shared as directed by the Election Committee's current guidelines.]

The EC requested item c be removed as it duplicates item b.

Daryl Lytton challenged the EC's report and under the EC's guidelines the AB must address any challenge of eligibility.</p> <p>"Daryl's challenge contended that he was eligible to serve on the AB. To address Daryl's challenge of the EC's report the following</p>

motion (06-04) was made and seconded and all members except Angie and Cyndie have signified their readiness to vote.

"Motion 06-04 states:

'Daryl Lytton is Eligible to serve on the Advisory Board.'

"Angie made a motion to amend motion 06-04 by substitution (replace the above motion with the following):

In the absence of any requirements listed for participation in the preference poll, Daryl Lytton is eligible to be included.

"Although the substituted motion has nothing to do with the Daryl's challenge of the EC's report, Sturgis requires that any motion to amend the motion on the floor by substitution, if seconded, has to be submitted to discussion and voting.

"Therefore - do I hear a second to Angie's motion to amend by substitution?"

(March 26, 2006) Motion to amend by substitution seconded by Karen De Groote-Johnson

(March 26, 2006) By the NC - Motion made to amend Motion 06-04 by substitution is numbered 06-04a. Discussion opened.

Motion 06-04a:

In the absence of any requirements listed for participation in the preference poll, Daryl Lytton is eligible to be included.

(March 26, 2006) Point of Order raised by Jeff Scism:

"Page 49 (where the large letters say "Amendments must be germane") wouldn't apply to the amendments discussed on page 48?

"The act of being germane indicates that the substituted motion must be on the same vein as the one being amended.

"The Main motion, #06-04 states that Daryl is eligible to serve on the Board , the amended motion indicates participation in the Poll, thus in

my opinion the motion to amend is NOT germane to the eligibility for the Advisory board service indicated.

"The amendment by substitution is changing the subject from eligibility to be on the Board to eligibility to be included on a poll of the membership.

"The main motion is to endorse his eligibility to serve, not his public favor. There is no point polling the members if he us ineligible to serve.

"Per the issue of being germane to the main motion, I ask for a ruling."

(March 27, 2006) Response to Point of Order, and call for vote by the NC:

"Strugis [sic] page 49: Amendments Must Be Germane

"The most important principle concerning amendments is that they must be germane; that is, must be relevant to, and have direct bearing on, the subject of the pending motion that amendment seeks to change."

"Strugis [sic] page 89: Ruling on Points of Order

"As soon as a member has stated a point of order, the presiding office must rule on it, declaring the point is "well taken" or "not well taken." The chair may state the reasons for the decision, if desired.

"If the presiding officer is in doubt as to the correct decision, the ruling may be delayed briefly. Meanwhile action on the matter affected by the point of order is deferred. When a point of order raises a complicated or important question and the presiding officer is uncertain of the matter, it may be deferred to the assembly for decision..."

"Although I, as presiding officer, agree with Jeff's Point of Order and believe that Angie's amendment has nothing to do with the subject that gave rise to motion 06-04 and has no bearing on motion 06-04, I spent considerable time yesterday discussing this very point with [AB Parliamentarian] Josh. As I stated in my message

calling for a 2nd
to Angie's amendment Josh feels that an amendment of
substitution, if seconded, must be acted upon, whether or not it
has anything to do with the issue that gave rise to the motion on
the floor.

"Due to this difference of opinion between the presiding officer
and the board's parliamentarian this Point of Order (as allowed
by Strugis [sic], page 89) is hereby deferred to the board for a
decision.

"Points of Order are not open for discussion and any discussion on
motion 06-04a, motion to amend, is suspended until the board has
reached a decision on Jeff's Point of Order.

"Jeff's point of order questions whether or not the amendment is
germane to motion 06-04. Therefore, your job is to decide whether
or not the amendment (per Strugis [sic], page 49 quoted above) is
relevant to, and does it have a direct bearing on, the subject
that gave rise to the motion being amended (Daryl's challenge of
the EC's report that he is ineligible to serve on the AB).

"Motion 06-04 states:

Daryl Lytton is Eligible to serve on the Advisory Board.

"Motion to amend by substitution states:

In the absence of any requirements listed for participation in
the preference poll, Daryl Lytton is eligible to be included.

"If you believe the amendment is germane, per Sturgis page 49
quoted above, and Jeff's Point of Order, please respond with
"germane".

"If you believe it is not germane, per Sturgis page 49 quoted
above, and Jeff's Point of Order, please respond with "not
germane."

"Voting will continue until Mar 29, 2006, 7:30 a.m. CT, unless

	<p>concluded earlier."</p> <p>GERMANE: Karen De Groote-Johnson, Jan Cortez, Cyndie Enfinger, Angie Rayfield</p> <p>NOT GERMANE: Bettie Wood, Darilee Bednar, Larry Flesher, Jeff Scism. Suzanne Shephard, George Waller</p> <p>ABSTAIN: None</p> <p>NOT VOTING: Linda Blum-Barton, Sundee Maynez</p> <p>(March 29, 2006) With 4 GERMANE votes, 6 NOT GERMANE votes, 0 ABSTENTIONS, and 2 members NOT VOTING, Jeff Scism's Point of Order is Well Taken. The board will return to the consideration of Motion 06-04.</p> <p>(March 29, 2006) Vote Called by the NC on Motion 06-04.</p> <p>"Daryl Lytton is eligible to serve on the Advisory Board."</p> <p>YES: none</p> <p>NO: Darilee Bednar, Bettie Wood, Jeff Scism, Linda Blum-Barton, Suzanne Shephard, George Waller, Larry Flesher, Sundee Maynez</p> <p>ABSTAIN: none</p> <p>NOT-VOTING: Angie Rayfield, Cyndee Enfinger, Jan Cortez, Karen De Groote-Johnson</p> <p>With 0 YES votes, 8 NO votes, 0 ABSTENTIONS, and 4 members NOT VOTING, Motion 06-04 fails due to lack of a quorum.</p>
<p>ANNOUNCEMENT - DISCUSSION OF VACANT RAL AND SWSC SEATS</p>	<p>(March 31, 2006) By the NC: Discussion is moved to ABChat regarding filling the vacant RAL and SWSC seats at this time.</p>
<p>ANNOUNCEMENT - EC RESIGNATIONS</p>	<p>(April 2, 2006) By the NC: Lori Thornton has resigned as Chair of the EC, and from the EC due to personal time constraints. Betsy Mills and Donna Allen resigned from the EC when they volunteered for the vacant</p>

	<p>seats on the AB.</p> <p>A call for volunteers for the EC has been sent to the Project lists to replace these three members.</p>
ADJOURNMENT	(April 3, 2006) By the NC: The March meeting is adjourned. The April meeting will begin immediately.
